Wednesday 15th December 2010

Dear Parent,

As we near the end of another busy and productive term, I hope that you are pleased with the start your daughter has made to her final GCSE year. She will be receiving her Maths and Science mock results this week, and will be given plenty of feedback on her strengths and areas for improvement in preparation for the Maths and Science external examinations in January. We hope that this will enable her to concentrate on her targets over the holiday period, and prove useful to you in supporting her studies.

We will be having a formal results morning for Year 11 on their first day back, **Wednesday 5th January**. At 8.35am the pupils will receive most of their remaining mock results in the Sports Hall, very much in the style of their August results day. We feel that this will lend the occasion the significance that it deserves, and serve to demonstrate the impact the August results may have. Form tutors and senior staff will be seeing girls who do not get five A grades in their mock examinations, and offering advice and support.

I would also like to take the opportunity to remind you of the dates of the full report – **Friday 28th January** – and Parents' Evening – **Thursday 3rd February**. Your daughter's teachers will be ready to provide further feedback on her performance this year, and I will be available for appointments to discuss any concerns which may have arisen from the recent results.

I am sure we share the same desire for your daughter to reach her potential in 2011 and I hope that the enclosed information proves useful. Please do not hesitate to contact me if you have any questions or concerns.

Yours sincerely,

Miss K Limb
Pupil Achievement Leader for Year 11
