### **'An Outstanding School' - Ofsted 2014**

Required for April 2017. We are looking for an enthusiastic, committed and well qualified graduate Biologist to join our lively and forward thinking Biology department. This is an exciting opportunity to teach Year 7 Science, Year 8 Biology, GCSE and A Level Biology.

We welcome applicants from all levels of experience and provide a very supportive induction programme for all new teachers.

This is a friendly school; pupils are very able, pleasant and well behaved. It is a stimulating and supportive environment in which to teach. We have a new Science block with state of the art facilities, creating an inspiring learning and teaching environment.

Our five OFSTED inspections have all been graded 'outstanding'. This post is covered by Part 7 of the Immigration Act (2016) and therefore the ability to speak fluent and spoken English is an essential requirement for this role.

Please download an application pack from our website:
