

KING EDWARD VI HANDSWORTH SCHOOL FOR GIRLS

REPORT ON THE USE & IMPACT OF PUPIL PREMIUM FUNDING FOR THE 2017-2018 ACADEMIC YEAR

1. Context:

- Pupil premium funding (PP) is given by the Government to address the national underperformance of students who are entitled to Free School Meals (FSM) or have been entitled at any point in the last six years.
- During the 2017-2018 academic year the funding was £935 per student.
- PP funding is ring fenced and must be spent to benefit those students who are currently in receipt of FSM or who have been in the last six years.
- In previous years, the academic performance of PP students showed no variation from those pupils not in receipt of PP. As a result the Governors agreed that the aim of PP funding should be to:
 1. Ensure that all students in receipt of PP have access to the extra-curricular activities and opportunities provided by the school
 2. Endeavour to mitigate against the social disadvantages experienced by students from less wealthy backgrounds.

2. Funding:

- During the academic year 2017-2018, the school received £102,551 PP funding.

3. Expenditure of the Pupil Premium Funding during the 2017-2018 academic year

10	81	78	50	47

Conclusion:

1. During the 2017-2018 academic year, the pupils for whom the school receives PP funding continue to make excellent academic progress.
2. The majority of the school's funding was used to support travel, uniform, educational visit subsidy and free school meal entitlement in line with aims outlined above.
3. The school's aims for the use of PP funding in 2017-2018 were met.
